Report on Health Camp Organised by Matrikaseba Foundation at Bhagwari Kalan, Rajasthan
By: Dr.Krushnapriya Sahoo & Mousumi Panda

Matrikaseba Foundation successfully organised a free health camp at Bhagwari Kalan, Rajasthan, on Sunday, 27 September 2026. IAS officer Tarun Yadav graced the occasion as the chief guest and lauded the Foundation's commendable efforts towards community welfare. On the occasion of Nutrition month the camp aimed to promote health awareness and provide essential medical services to the rural community.

A team of four dedicated specialists rendered comprehensive check-ups and expert medical guidance to nearly 150 people. The Foundation's four directors personally supervised the arrangements, ensuring seamless coordination and efficient management throughout the event. Nutritious food was also distributed to the villagers. The camp drew an overwhelming response from the villagers. Marking the Foundation's maiden initiative of 2026, it reflected its steadfast commitment to public health and nutrition. The Foundation resolved to organise more such camps in the future to serve underprivileged communities.
